Lyrics:

"Make it shake, like a vibrator,
Laugh now, Imma make you
cry later,
Yeah I eat it, but I much rather
beat it,
Dick your girl down, cause I know
she really need it."

Mainstream music tells us that violence towards women is **OKAY**, when it's **NOT**

No wonder rapists get off when a girl starts to cry... if love makes a girl cry, any other man can do it...

"Eat her till she **CRY**,
call that **WINE n DINE**"

Again with the crying

These lyrics tell society that women are good for one thing: **SEX**

"All I wanna do is sit back and watch you move and I'll proceed to throw this cash."
- "No Hands"

"Treat her like a **DOG**, called that bitch Lassy."

"I'D EAT YOU ALIVE"
I'm sorry, so sorry.
Damn you're so hot.
- Limp Bizkit
Don't worry ladies, if he says you're hot, all violence is okay

Now women are at the same level as dogs...

Pretty soon men will be sliding a credit card through a girl's ass... WAIT, Nelly already did that in "Tip Drill"

Acting, not real ... And people say media has no influence on their ACTIONS

Top Songs on Power 106:

1. "Up" by Tove Lo
2. "Rack City" by Tyga
3. "Young, Wild, + Free" by Snoop Dog + Wiz Khalifa
4. "Faded" by Tyga
5. "No Hands" by Waka Flocka Flame
6. "Can't Get Enough" by J. Cole
7. "My Last" by Big Sean
8. "The Motto" by Drake

Of those EIGHT songs, SEVEN

of them say BITCH

at least once

We're worth more than just being your BITCH

When young boys + girls listen to these songs depicting violence, aggression + sexual advances towards women, it becomes all they know. Boys learn that girls are good for being at beat + call for sex. And if girls are degraded for them will respond even quicker. "ho," they have added to this ideology, but hip-hop + rap music is one of the main contributors.

Queen B

Beyoncé Knowles, known mononymously as Beyoncé, can arguably be deemed the most influential female performer/singer/songwriter/superwoman of our time.

The only thing more empowering than her songs and D.I.Y. attitude is the awesome list of her triumphs through the trials and tribulations of a male-dominated, male-oriented industry.

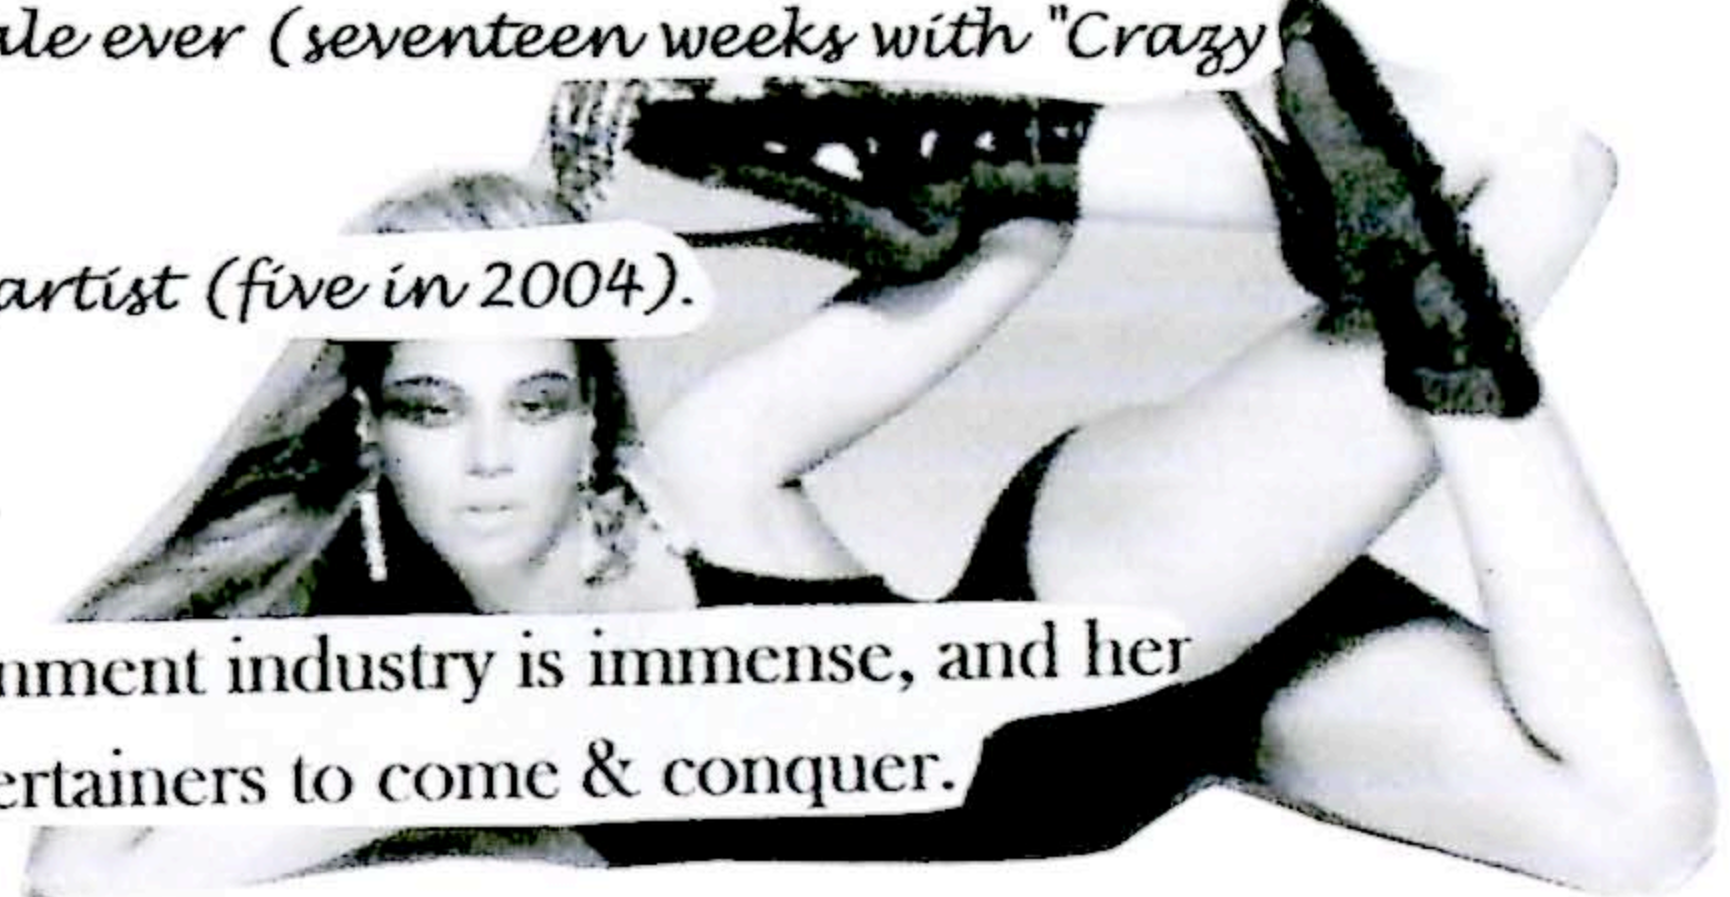

First African-American female to win the "Songwriter of the Year" award from the American Society of Composers, Authors, and Publishers Pop Music Awards (2001) and First Female to ever be awarded the International Artist Award at the AMA's (2007).

First and only woman to have a single and album simultaneously topping the main charts in both the U.S. and the UK (2003).

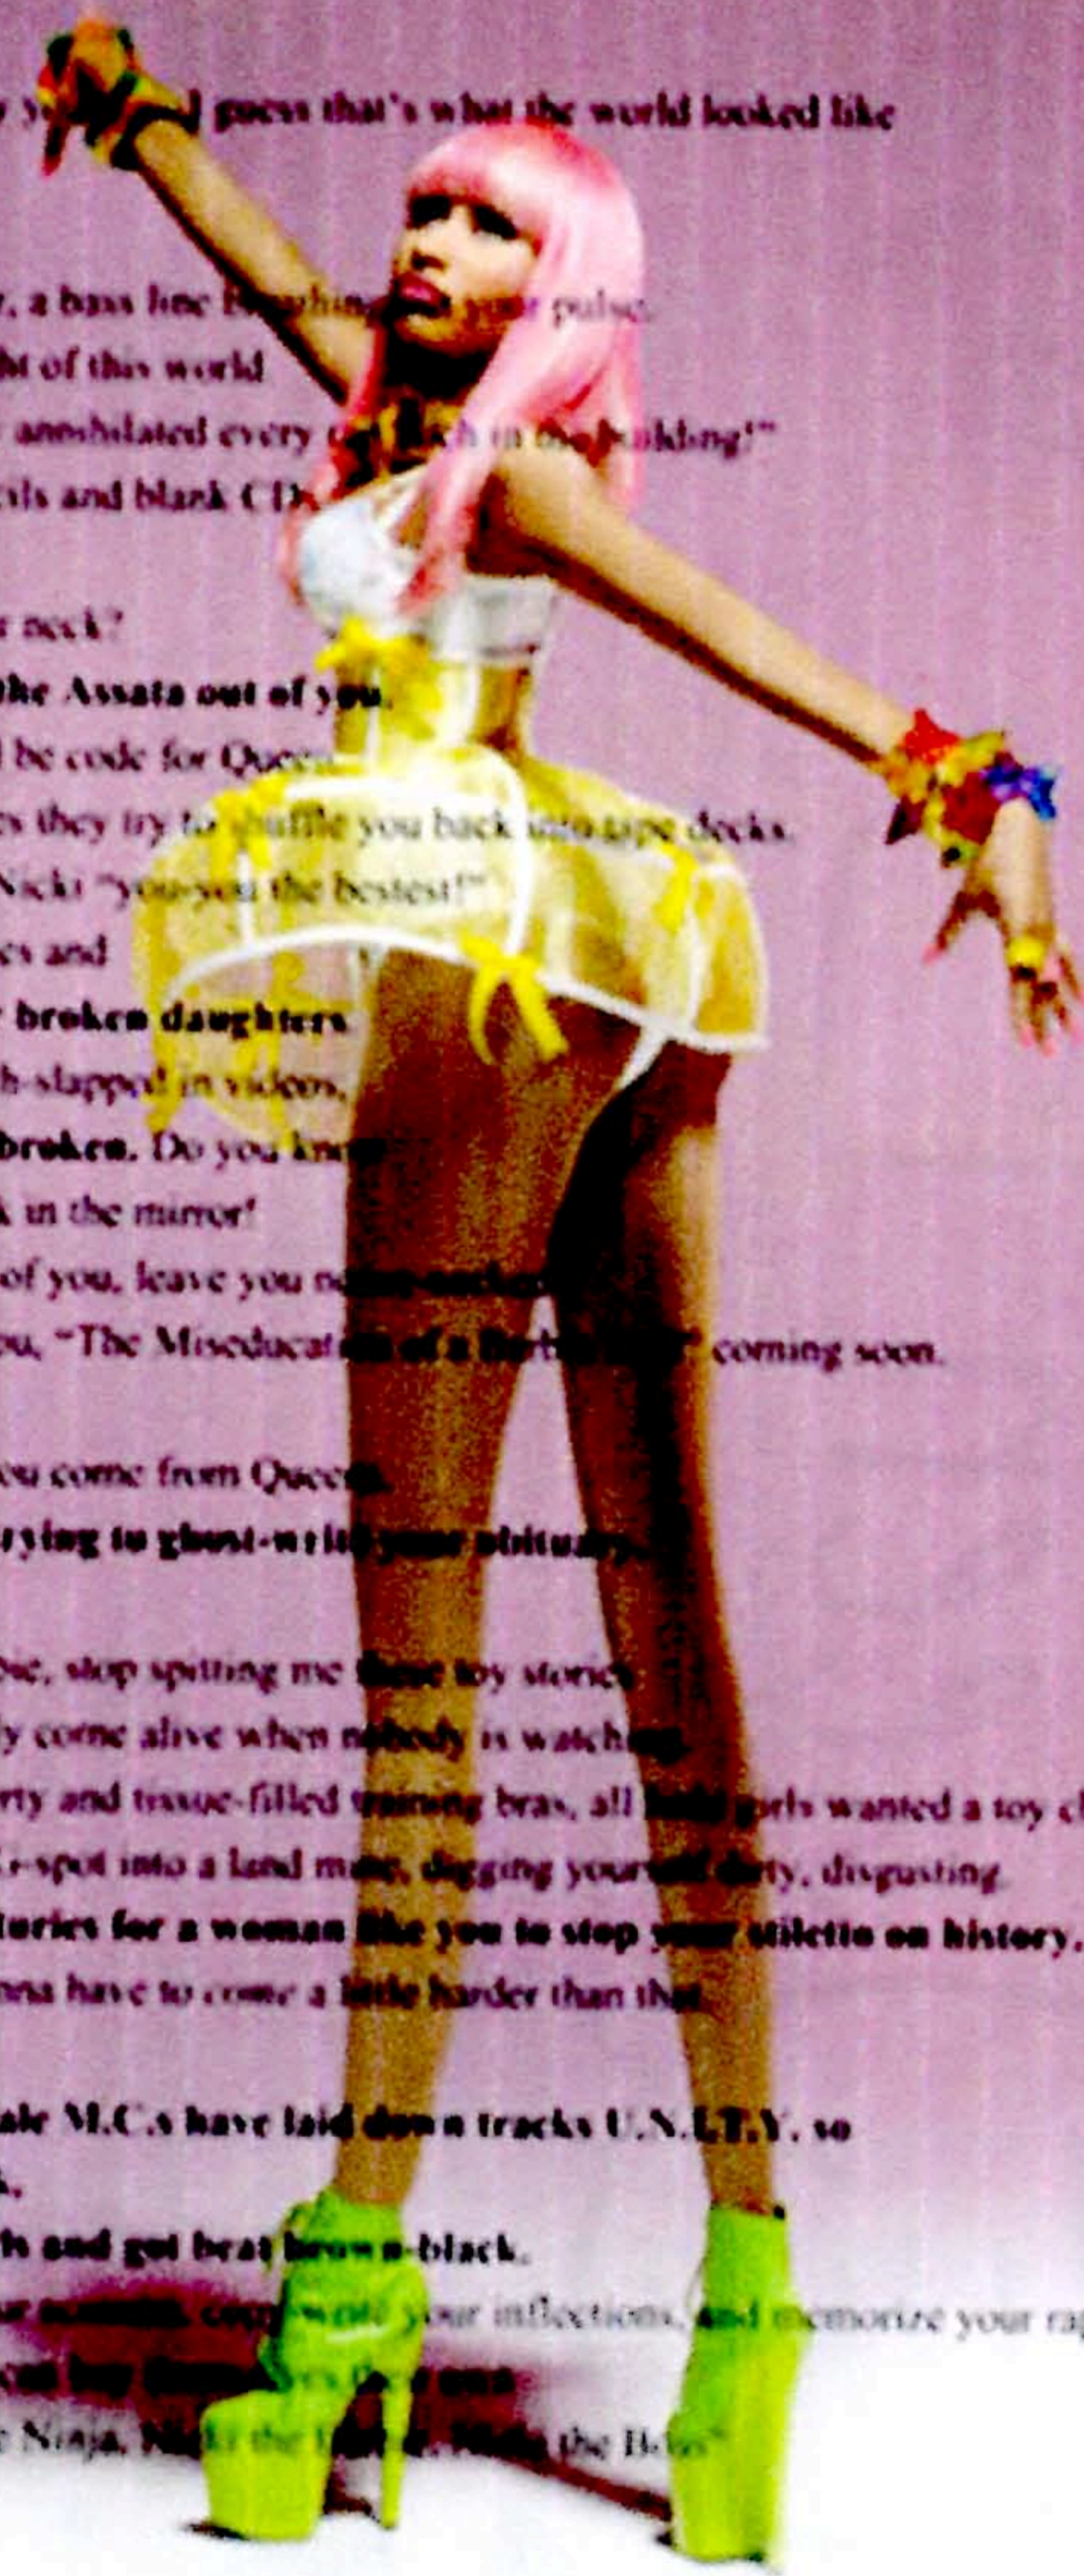

Longest stay at number-one on the Billboard Hot 100 for a female ever (seventeen weeks with "Crazy in Love" and "Baby Boy").

Most Grammy Awards won in a single night by a female artist (five in 2004).

And I could go on. And on... Her impact on the music and entertainment industry is immense, and her achievements have helped set the stage for other women entertainers to come & conquer.

They are trading you paper in exchange for you to be plastic.
 All dolls will eventually malfunction
 "I don't even know why these girls bother at this point like, like, give it up! It's me! I win! You lose!"
 Nicki Minaj
 "It's me!"
 I must admit, I've always been intrigued by you. I guess that's what the world looked like
 after falling from your shoulders.
 "Like, give it up!"
 You have the heartbeat of a suicide bomber, a bass line booming in your pulse.
 Your thighs, they place storage to the weight of this world
 "You know, it's like, I just single-handedly annihilated every bitch in the building!"
 Traded in your crown for unsharpened pencils and blank CDs.
 "Like, give it up!"
 Do you ever feel the chord gripping on your neck?
Choke, spit, don't let this industry rape the Assata out of you.
 Harajuku-hiphen-barbie-ken... it never will be code for Queen
 You are a Queen, no matter how many times they try to shuffle you back into tape decks.
 Bisex, straight, you've earned my respect, Nicki "you-you the bestest!"
 But I know your spine binds on crooked lines and
you can't seem to write a rhyme for your broken daughters.
 Slaughtered, bent over back, ass-crack, bitch-slapped in videos,
there is nothing pedal-bike pretty about broken. Do you know
 what this media is trying to do to you? Look in the mirror!
 They will porcelain-barbie-doll the shit out of you, leave you ~~needing~~ ~~needing~~
 hanging from Zion, they will Lauryn Hill you, "The Miseducation of a Barbie Girl" coming soon.
 "I-I-I just had an epiphany!"
 Barbie, I think NYC is making you forget you come from Queens.
It is scary when you have whack M.C.s trying to ghost-write your obituary.
 "you should buy a 16 cuz I ride it good"
 Your existence is not recyclable to me. Barbie, stop spitting me these toy stories
 of Woody's and Buzz Light-Year's who only come alive when nobody is watching.
 Fake breasts, once upon a time, before puberty and tissue-filled training bras, all little girls wanted a toy chest.
 What do you treasure? You've turned your G-spot into a land mine, digging yourself dirty, disgusting.
Girls like me, we've been waiting for centuries for a woman like you to stop your stiletto on history.
 This microphone is not a dildo so you're gonna have to come a little harder than that.
 "I win, I win, I win! You lose!"
 Come a little harder for rap. Too many female M.C.s have laid down tracks U.N.L.T.Y. so
 you wouldn't have to record on your back.
 Spit some shit for the girls who kissed girls and got beat brown-black.
 We will remember you for that. Lip-sing your names, copy write your inflections, and memorize your raps.
 Cuz for the price of young money, anybody can buy your ass.
 "I'm Nicki Minaj, Nicki Lewinski, Nicki the Ninja, Nicki the Turtler, Nicki the Bitch"
 -Crown
 -Vagina
 -Womanhood
 All sold separately.
 You are being stabbed in your back. Inserted with a wind-up string and tack
 "R-R-R-roger that!"

Turn this way, do this, do that, sell my products; model my clothes, industry booming profit after profit commercial after commercial, print after print. We sing songs of frolic and play, showcase events and allure the crowd. I get my desire, done my way, what a great thing something so sweet, so special. The ultimate leverage to take over the world, money, power, respect, is what I have and the knowhow, to use it. It's all about the numbers, the almighty dollar; yes you are the ultimate money maker. My mind doesn't retract to this two side equation. All I care is that the market climb towards the top, inch by inch, cent by cent, make my persona inflate as well as my pockets, ego, and self-esteem. Who are you to try to accomplish the American dream, the dream I made. That's right what I say goes, no if ands or buts. Question me and I'll have you question yourself. Question my authority and I'll have you question yourself. Question your abilities, well then I might have a situation.
